

WORLD OF RADIO #1117, produced Feb. 6, 2002 by Glenn Hauser

- \*Ice storm disrupted WOR 1116 last week; not on WBCQ or WRN, but phone fed to RFPI, WWCN. Those who missed it may still hear it via Our Current Audio at <http://www.worldofradio.com>
- \*DXLD 2-020 reports on our experiences during blackout, under Oklahoma plus our other monitoring
- \*WOR site has new DX programs schedule, and Nets to You by John Norfolk
- \*Kim Elliott announces he is leaving Communications World for audience research post at VOA, and the show will not continue after Feb 23
- \*VOA journalist Spozhmai Maiwandi who scored an interview with Taliban leader has been kicked upstairs to a ``useless job``
- \*Committee to Protect Journalists concerned about the above; see: <http://www.cpj.org/news/2002/USA17jan02na.html>
- \*Brother Stair accused by other WBCQ broadcasters of crimes; see <http://www.thenetteam.net> for testimonials, police reports
- \*HAARP plans more HF injection experiments from Alaska: DXLD 2-021
- \*Johns Hopkins University sold WJHU, renamed WYPR
- \*CBC Radio One to make over morning and Saturday programming this fall for more youth appeal
- \*Tokelau Islands to get FM radio stations with New Zealand aid
- \*RNZI Mailbox due back from summer vacation in February
- \*NTL, company operating ABC and other transmitters in Australia is in deep financial difficulties, a gigadollar in debt
- \*R. Bougainville closing for lack of funds; efforts to stop this [presumably the one on 3325]
- \*R. Station Pacific Ocean, Vladivostok, off SW and LW, cut back to only one MW frequency
- \*North Korea has new Arirang Festival website celebrating Kim Il-Sung 90th birthday: <http://www.arirang.dprkorea.com/english>
- \*A marvellous set of symmetrical spurs from V. of Korea on 9 MHz
- \*RKI special on future of broadcasting Feb. 16
- \*CRI special honoring George J. Poppin Feb. 16
- \*Look for Chinese New Year specials Feb. 11
- \*The Media Magazine you Monitor with your Mind, World of Radio 1117; P O Box 1684, Enid, OK 73702 USA; [wghauser@hotmail.com](mailto:wghauser@hotmail.com) Websites: <http://worldofradio.com> and <http://www.angelfire.com/ok/worldofradio>
- \*RTI still has Chinese language lessons in English and Spanish
- \*R. Nepal back on 5 MHz band
- \*AIR, Gangtok, Sikkim heard with weaker and stronger signals
- \*AIR, Leh, devastated by fire; if it's off 60m, hear Port Blair
- \*R. Pakistan's unpredictable English newscasts
- \*Another English newscast found from Turkmenistan
- \*Denge Mezopotamya on new frequency, still experimenting
- \*Andy Sennitt suggests planned cuts of Israel's shortwave are a ploy to draw attention to need for a bigger budget
- \*V. of Greece English program heard at wrong time
- \*Bob Zanotti leaving Swiss Radio International; oops, Swissinfo. And

will attend Winter SWL Festival; Kim Elliott the keynote speaker  
\*SWFunk, Germany, very weak in North America even when Marti off  
\*RTM, Mali, locked on an off-frequency 7 MHz channel  
\*R. Benin, also off-frequency 7 MHz  
\*Burundi station started webcasting: <http://www.studioijambo.org>  
\*Malawi reactivated not only on 7 but also 3 MHz frequencies  
\*Zimbabwe claims US backs SW Radio Africa; if credible, could site  
be Botswana or Sao Tome instead of South Africa?  
\*Madagascar no longer on off-frequency 5 MHz channel; frantic IS  
\*Radio MEC, 1710 kHz in Argentina, significance of name; phone  
\*Carnival season leads two Uruguayan SW to stay on late at night;  
one's site is <http://www.emisoraciudademontevideo.com.uy>  
[live stream at 0517 UT seemed offair pickup with station missing]  
\*R. Frecuencia Popular, new Peruvian from unknown location  
\*HCJB proceeding with transmitter site move from Pifo to Santa Elena,  
but will take four years; see DXLD 2-020  
\*Answering my own question last week, Alo, Presidente reconfirmed  
from R. Nacional Venezuela on SW via Habana, Sunday morning  
\*See website summarizing many of these shows:  
[http://www.el-nacional.com/actualidad/alo/alo\\_presidente.asp](http://www.el-nacional.com/actualidad/alo/alo_presidente.asp)  
\*Hope for tropical band DXers bothered by the 'Swiper', ocean wave  
radar. CODAR will try to restrict to frequency range avoiding  
broadcasters; see DXLD 2-021  
\*Unidentified Mideast station on 5550, music only, morning and eve  
\*This solar cycle seems to have two peaks: DXLD 2-011, 2-020  
\*Propagation outlook from Boulder Feb. 5: flux range 225-200-255-230  
\*Standard disclaimer  
\*Glenn Hauser, concluding WOR 1117 and inviting you to hear me again  
next week
